

You are invited to the

2011 Digital Inclusion Forum

Hosted by the Technology Literacy Collaborative (TLC)

The digital divide affects us all and as we move further into a technology-based society, **digital inclusion (DI)** ensures that all individuals can participate fully in the economic, educational, civic and social activities of our communities.

At the Digital Inclusion Forum

- Learn about the current state of digital inclusion (DI) in Minnesota, how we got here and how DI impacts your community
- Learn new ways to improve and expand your public community technology program
- Identify opportunities for continued involvement in DI
- Connect with other DI practitioners

Who should attend? Staff, stakeholders and policy makers from:

Computer Labs	Libraries	Workforce Centers
Non-profit Organizations	Youth Organizations	Government
Education	Business and Technology	

...and anyone interested in learning more about Digital Literacy and Digital Inclusion!

When: Thursday, November 3, 2011, from 8:30 a.m.-12 noon
